Fierce Conversations is an engaging and highly effective program that will teach you how to communicate with people in your company and your personal life, in a way that will drive results.

This Fierce Conversations program is comprised of the foundation and three conversation models:

The Foundation | *Set the stage for change.*

Team Conversations | *Create internal think tanks; promote a high level of collaboration in your company.*

Coaching Conversations | *Improve decision-making ability and foster self-discovery.*

Confrontation Conversations | *Strengthen relationships while tackling tough issues.*

Presenters:

Robin Cowper, MCAWW

Leah Gutmann, First Forward Consulting
